

Krista Fitzsimons

Krista grew up in Wildwood and attended St. Ann's School and Wildwood High School. After high school she attended Fairleigh Dickinson University where she obtained a B.A. in Public Relations.

After college Krista moved to South Florida where she and her sister Maryann D'Ambrosio (1981 WCHS graduate) opened a dance and performing arts school for children in North Lauderdale Florida.

Eventually, Krista found her way back home to Wildwood where she chose to start and raise her family on the same street she grew up on. Maple Avenue.

Krista's most important role is mom to her two boys, Liam 20, a 2021 graduate of Wildwood High School and Burke 16, a junior at Wildwood High School.

Krista's civic involvement started 20 years ago as a board member of Main Street Wildwood and the CMC United Way. More recently Krista is a board member of the CMC Women's Commission, CMC Chamber of Commerce, Middle Township Chamber of Commerce, Healthy Community Coalition, and the Warrior 50 club. She served on the Cape Trinity Catholic School board as Board Chairwoman for ten years and on the Wildwood School Board for 3 years.

Krista's passion and love of Wildwood runs deep and she knows the potential Wildwood has yet to reach.

Krista has served as your deputy Mayor for the past 3 1/2 years. She serves as the Commissioner of Revenue & Finance, Parks & Recreation, and Special Events.

She would love nothing more than to earn your vote and continue to Move Wildwood Forward!
